

PLEASE FILL IN FORM BELOW

What is your business name?

Do you have a tagline, slogan or motto?

What is the core business/mission of the company?

*What graphic deliverables are needed?
(logo / t-shirt / flyer etc.)*

Share a single phrase that communicates what makes your company unique.

*Who are some alternatives in the market, and how do you differ from them? List your competition.
Send us 3 or 4 good links to look over if possible*

What is the single most important character trait of your company? How would you describe your company's desired personality? Anything else we should know? Any aspects of your business or cliches that should be de-emphasized or avoided in your brand identity?

Objectives & Target Market?

*What vibe are you trying to convey with this brand?
Who is your audience, demographic?*

Preferences & References

*Would you prefer something hand-lettered or use an altered font?
Will there be any secondary marks to accompany the main logo - i.e - monogrammed letters for a ball cap, etc.?
List links to things you love. This helps me read your mind!*

Keywords?

*What keywords best describe your company?
What do you want this brand to say about you?*
